In exotic Khantun, there  
was a benevolent Emperor  
known as Chao Ti. He  
ruled wisely and well  
until his Warlord,  
Zhurong, acquired an  
elixir from the evil  
alchemist Shen Jang to  
put the Emperor into a  
coma. Evil spirits from  
the Astral Plane took  
over shrines throughout  
the land, and it was a  
dark time. But a young  
student, after  
completing his studies  
of the martial arts in a  
small monastery, managed  
to liberate the shrines,  
defeat the warlord, and  
cure the Emperor with  
the Elixir of  
Immortality. Long will  
his name be honored in  
Khantun.
